Emergency Evacuation Procedures

Apogee Stadium

Severe Weather
In the event of severe weather, all building occupants should immediately seek shelter in the designated shelter-in-place area in the building. If unable to safely move to the designated shelter-in-place area, seek shelter in a windowless interior room or hallway on the lowest floor of the building.

All occupants should take shelter in the flowing locations:

North: Concourse below seating
East: Concourse below seating
West: Concourse below Seating

Event staff will be present to make sure all are relocated to the closest safe area.

Bomb Threat/Fire
In the event of a bomb threat or fire in the building, all building occupants should immediately evacuate the building using the nearest exit. Once outside, proceed to the designated assembly area. If unable to safely move to the designated assembly area, contact on or more members of your department or unit to let them know you are safe and inform them of your whereabouts.

Persons with mobility impairments who are unable to safely exit the building should move to a designated area of refuge and await assistance from emergency responders.

Event staff will ensure all have safely evacuated the premises in an orderly manner.
