

CIVIL DISTURBANCE OR DEMONSTRATION

Civil disturbances include riots, demonstrations, groups of threatening individuals, or assemblies that have become disruptive and could potentially become destructive or violent.

If the disturbance or demonstration poses an immediate threat:

1. Call **911**
2. Provide the address, location, and incident details to the dispatcher
3. Do not provoke or enter the disturbance or demonstration – keep a safe distance
4. Secure your work area, logging off computers and securing sensitive files (if safely possible) should the disturbance be near your office location

NOTE: Keep a safe distance from the event. Remain inside and away from doors and windows if the event is outside of your building.

If a disturbance or demonstration does NOT pose an immediate threat but you are concerned that the event may escalate, contact the **UNT Police** at **940-565-3000**.
