

Emergency Procedures for Dance & Theatre Arts Building

300 Bernard Street, Denton, TX 76201

Shelter

You may need to take shelter for **severe weather** (most common) or a **hazardous materials release**.

During an incident requiring individuals to take **shelter**, all building occupants should immediately move to the designated Tornado Shelter Areas in the building. If unable to safely move to the designated shelter area, seek shelter in a windowless interior room or hallway on the lowest floor of the building.

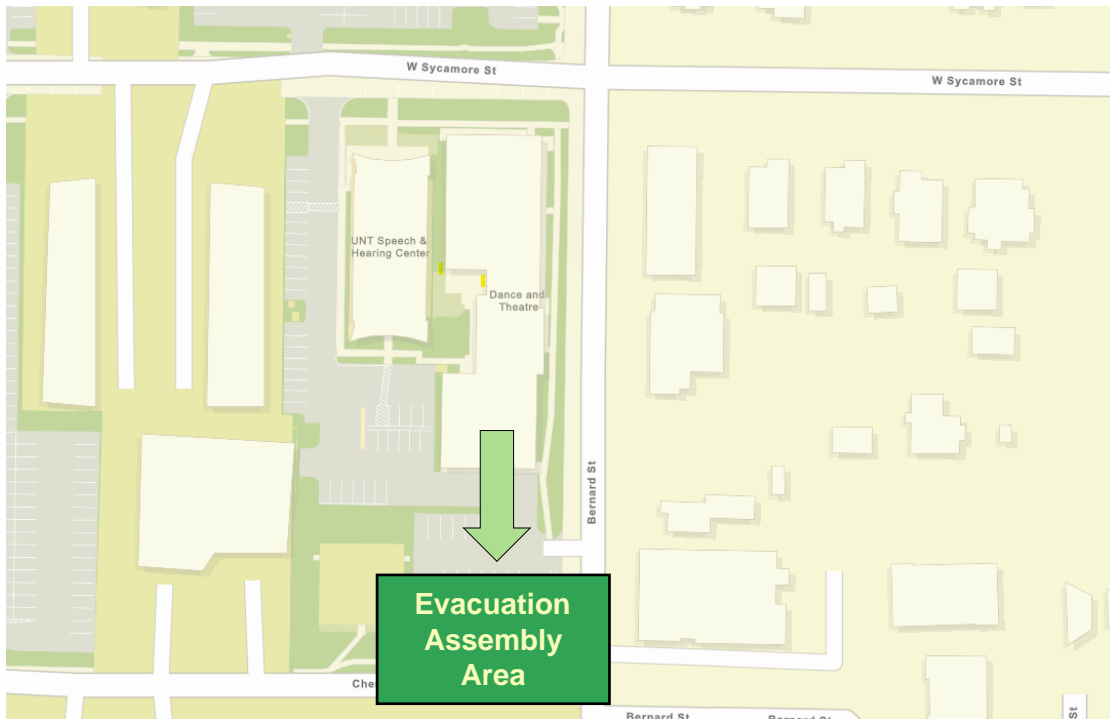

Monday to Friday, 8 am to 5 pm, all occupants should seek shelter in the Speech and Hearing Sciences Clinic (if time allows). If after-hours (or if unable to move to the clinic) Tornado Sheltering Procedure During

M-F, 8 am-5 pm business hours:, all occupants should shelter in the locker rooms (124 and 126). Avoid standing near windows, exterior walls, and doors made of glass.

Evacuation

If you need to evacuate the building—for a fire, bomb threat, gas leak, or other event—all building occupants should immediately move to the nearest EXIT. Once outside, proceed to the designated Evacuation Assembly Area. If unable to safely move to the designated assembly area, contact one or more members of your department or unit to let them know where you are.

All building occupants should immediately evacuate the building and proceed to Lot 53, south of the building.

For more information on what to do in a specific emergency situation, refer to the UNT Emergency Guidelines on emergency.unt.edu or the UNT Emergency app.
