

EMERGENCY PREPAREDNESS TRAINING!

Hone your emergency response skills

Offered **ONLINE** Offered via Zoom OR In-Person

There's no better way to be **#MeanGreenReady** for emergencies than to invest in your personal preparedness through training! Emergency Management & Safety Services offers several training opportunities for FREE to the UNT campus community. The purpose of this document is to offer a brief overview of the opportunities currently available and describe how to sign up.

If you have questions about any of these opportunities, please contact Emergency.Management@unt.edu.

EMERGENCY READINESS TRAINING

Students, Faculty, and Staff

Emergency Readiness Training—a collaborative effort between the UNT Police and Emergency Management & Safety Services – is our signature preparedness training for the UNT campus community. The training covers basic response actions for emergencies. The information contained in this training is practical knowledge applicable no matter where an emergency takes place.

EMERGENCY PREPAREDNESS EXCELLENCE SERIES

Faculty and Staff

Emergency Management & Safety Services has created the Emergency Preparedness Excellence Series which allows learners the ability to earn an Emergency Preparedness Excellence certificate for successful completion of several emergency preparedness primer courses including:

Sign up on [UNT Bridge](#). You may also take any of these courses individually. Click on the training below to be taken to the course enrollment page.

- Active Threat Awareness (30 mins)
- Acts or Threats of Violence Awareness (30 mins)
- Emergency Preparedness Resources (30 mins)
- Evacuation Awareness (20 mins)
- Fire Prevention and Response Awareness (25 mins)
- HAZMAT and Spill Response Awareness (20 mins)
- Lockdown Awareness (25 mins)
- Medical Emergencies Awareness (30 mins)
- Severe Weather Awareness (35 mins)
- Shelter-in-Place Awareness (20 mins)
- Temperature Extremes Awareness (20 mins)
- Utility Failure Awareness (30 mins)

SEVERE WEATHER READINESS

Students, Faculty, and Staff

North Texas is home to many kinds of severe weather. This training is designed to equip you to know exactly what to do when faced with severe weather while on the UNT campus.

HANDS-ONLY CPR AND AED TRAINING

Students, Faculty, and Staff

When a person experiences Sudden Cardiac Arrest they must be swiftly provided aid. This course will provide learners basic knowledge about how to perform hands-only CPR and utilize AEDs that are available across the UNT campus. NOTE: This course is NOT a CPR Certification course.

UNTIL HELP ARRIVES

Students, Faculty, and Staff

Life-threatening emergencies can happen fast and emergency responders aren't always nearby. You may be able to save a life by taking simple actions immediately. You Are the Help Until Help Arrives. Attend this training to learn the steps needed to keep someone who has experienced a traumatic injury survive until first responders arrive.

Online version of the course is available through FEMA at community.fema.gov/until-help-arrives

STOP THE BLEED

Students, Faculty, and Staff

STOP THE BLEED training is to prepare individuals to recognize life-threatening injuries and equip them to know how to assist injured persons. Massive bleeding from any cause can result in death. STOP THE BLEED teaches individuals proper bleeding control techniques, including how to use their hands, dressings, and tourniquets to help keep someone alive.

FIRE EXTINGUISHER TRAINING

Students, Faculty, and Staff

Fire Extinguisher Training is a fire and life safety program presented in collaboration with UNT Facilities' Fire Systems staff. This training will teach participants general fire safety and equip learners to confidently know when and how to use a fire extinguisher.

CUSTOM TRAINING

Students, Faculty, and Staff

If an individual or department has enough persons with an interest or need to learn more about a particular topic, Emergency Management & Safety Services may develop a custom training to fit the needs of the office. Interested departments should contact Emergency.Management@unt.edu to learn more about customized learning opportunities.
