Evacuation

PROMPTS: Fire alarm, direction from the UNT Police or City of Frisco Fire Department, an Eagle Alert, a visibly life-threatening situation

- Gather those around you and quickly leave through the nearest exit.
- Ask those around you with limited mobility if they need help and provide assistance, as able.
- If you take notice of someone unable to evacuate, note their location and tell first responders as soon as possible.
- Those with access and functional needs should immediately go to the nearest fire refuge area and call 911.
- Move at least 200 feet away from the building and stay off fire lanes.
- Comply with directions from first responders.

Shelter

PROMPTS: Eagle Alert, Outdoor Warning Sirens

- Go indoors immediately.
- Seek shelter on the lowest level of the building, away from windows and exterior walls.
- For tornadoes: Encourage others to shield their head and neck with arms and putting material such as furniture and blankets around themselves.
- If the event is HAZMAT related, completely turn off or seal off all external air sources including windows, doors, and air vents.
- Stay in shelter until an Eagle Alert is sent telling you it’s safe to leave.

Respond to a Medical Emergency

- Call 911 (or have someone call 911 for you).
- Send others to get an AED and to meet first responders at the door.
- Ask the individual if you have their permission to assist them.
  - If YES, provide first aid to the extent that you feel able.
  - If NO, move away from the individual and wait for first responders.
  - If unconscious, you have implied consent to provide assistance, as long as you are not negligent.
- Assist paramedics as needed when they arrive.
- Gather info and report the incident to Risk Management Services.

Run. Hide. Fight. (Active Threat)

PROMPTS: Eagle Alert; successive, loud shot noises; groups of individuals running and screaming

- RUN and escape the active threat if possible.
- HIDE from the active threat if escape is not possible.
- FIGHT the attacker as a last resort and commit to your actions.

If you are unsure if a situation is or is not an emergency, always call 911.
FRISCO LANDING
EMERGENCY LOCATIONS AND SUPPLIES

**Shelter Areas**
- Floor 1:
  - Restrooms
  - North Side
    - Fitness Center Showers/Restrooms
    - Wellness Rooms 170 and 177
    - Hallway adjacent to north side restrooms
  - South Side
    - South stairwell landing
    - South hallway between south stairwell landing and exterior doors.
    - Rooms 110F and 110G, and adjacent interior hallway
    - Room 114 inside Academic Advising
- Shelter areas exist in the restrooms on floors 2-through-4, however, the most secure shelters are on the first floor as outlined above and shown in the floorplan. Floor 5 does not have a suitable shelter area. Everyone on floors 2-through-5 should take stairways to first floor and report to appropriate shelter area if able to do so.

**Evacuation Assembly Area**
- If exiting from the northeast or north side of the building proceed east to the Main Parking Lot east of Frisco Landing
- If exiting from the northwest or south side of the building proceed south to the parking lot south of Frisco Landing

**Medical Emergency Related Equipment**
- **First Aid** Kits: Fitness Center (across from showers)
- **Stop the Bleed** Kits: Co-located with AEDs in wall-boxes (see locations below)
- **AEDs:**
  - Floor 1:
    - Fitness Center (across from showers)
- North East hallway near restrooms
  - Floor 2:
    - North East hallway near restrooms
  - Floors 3 and 4:
    - North West hallway near elevators

**Fire Refuge Areas**: A temporary haven from the effects of a fire or other emergency that would normally require evacuation.
- Fire refuge areas include the stairwell landings on floors 2-through-5 as shown in the emergency floor plan.
